ABOUT OUR COMPANY

Nexa Investment Limited offer our investors access to high-growth investment opportunities in the financial markets through the utility of state-of-the-art technical facilities and the implementation of industry standard cryptocurrency trading strategies.

We're proud to be an asset management company whose culture is driven by strong values and a long-term vision. At Nexa Investment Limited, our vision, mission and core values serve as the catalyst in our relations with our clients, employees, shareholders and in the communities in which we live and work. They are our guiding compass in our business each day.

nexainvestmentslimited.com is dedicated to helping investors around the world reach their desired investment goals and broaden their financial horizons.

We provide investment products and solutions to our clients across the world. Our breadth of investment capabilities is extensive and among the most innovative within the market

Investment involves risk. The value of investments, and the income from them, can go down as well as up and an investor may get back less than the amount invested. Past performance is not a guide to future results.

Vision and Mission

VISION

Our values are based on three tenets: reliability, security, and performance. With our deep understanding of technology, economics, and finance, and by applying knowledge and innovation

MISSION

Empowering investors by providing them an avenue for controlling their financial future by providing outstanding service, innovation, and expertise in the custody of alternative and traditional assets. nexainvestmentslimited.com is dedicated to helping investors around the world reach their desired investment goals and broaden their financial horizons.

We provide investment products and solutions to our clients across the world. Our breadth of investment capabilities is extensive and among the most innovative within the market.

Our Goals

INVESTOR-FIRST FOCUS.

Our plan is to not only protect the value of your assets but to increase them with our trading desk. Involving professional traders that manage money in high risk markets.

This is achieved by strict standards of risk management through technical and fundamental analysis. Our trading operations are online and around the clock to ensure immediate reaction to movements in the market

Our Products & Services

CRYPTOCURRENCY

At nexainvestmentslimited.com, we believe investors deserve an established, trusted, and accountable partner that can help them navigate digital currency investing.

REAL ESTATE

Nexa Investment Limited offers investment options in most major cities for multi-family, office, retail and hospitality properties. The platform gives investors the opportunity to invest as little as \$100,000 in a project.

OIL AND GAS

Investors looking for portfolio diversification through sector-specific funds can find multiple opportunities within the energy industry – and more specifically, companies operating in the oil and gas drilling sector.

More Services

AGRICULTURE

Investing in farming can seem like a good strategic move. After all, whether the overall economy's in a recession or booming, people still have to eat.

SOLAR ENERGY

Solar power is energy from the sun that is converted into thermal or electrical energy. Solar energy is the cleanest and most abundant renewable energy source available

GOLD TRADING

Gold mining is a global business with operations on every continent, except Antarctica, and gold is extracted from mines of widely varying types and scale.
